## DUBLIN UNESCO CITY OF LITERATURE GRANT SCHEME 2023

Dublin UNESCO City of Literature small grants scheme supported by Dublin City Council is now open for applications.

We invite individuals and organisations to apply for a small grant up to €5,000 for literary activities / projects taking place from 1<sup>st</sup> January to 31 December 2023.

The office is particularly interested in projects that:

- display innovation and diversity, in line with the objectives of Dublin UNESCO City of Literature's strategy over the 2020 – 2022 period
- prioritise free and accessible events to the public.

We are committed to allocating our limited resources across as many organisations as possible and this may mean that recipients who have been successful in receiving funding in the recent past may not necessarily be allocated a grant again in 2023.

It may however be possible for a partial grant to be given so it is useful for us if you break down your submission into constituent parts to enable us to identify where we may be able to assist in some way.

The following sets out the timeline for the 2023 Round:

- only applications made on the official application form will be accepted.
- application form to be submitted by 12noon Thursday 23rd March 2023.
- appraisal March/April 2023.
- Notification of Outcome: Applicants will be notified by email by the end of April 2023.

**Please note that proposals which are received after this deadline will not be considered.**
